# The Treasure Chest

Dear Dave,

*We went to Sharaz last Thursday. When we arrived, we heard about a sunken ship in the shallow sea. The story goes like this – a pirate ship sank there long ago and there are still treasure chests aboard.*

*We decided to search for the sunken treasure. First, we boarded a small boat and rowed out to the ship. Then, we put on wetsuits and masks and dived under the water.*

*When we reached the ship, we swam inside and, guess what? We found a giant chest filled with gold and jewels!*

*I'll send you some photos as soon as I have them.*

*Your friend,  
Rob*
