Numbers 1 to 10

Colour the number 8.

eight

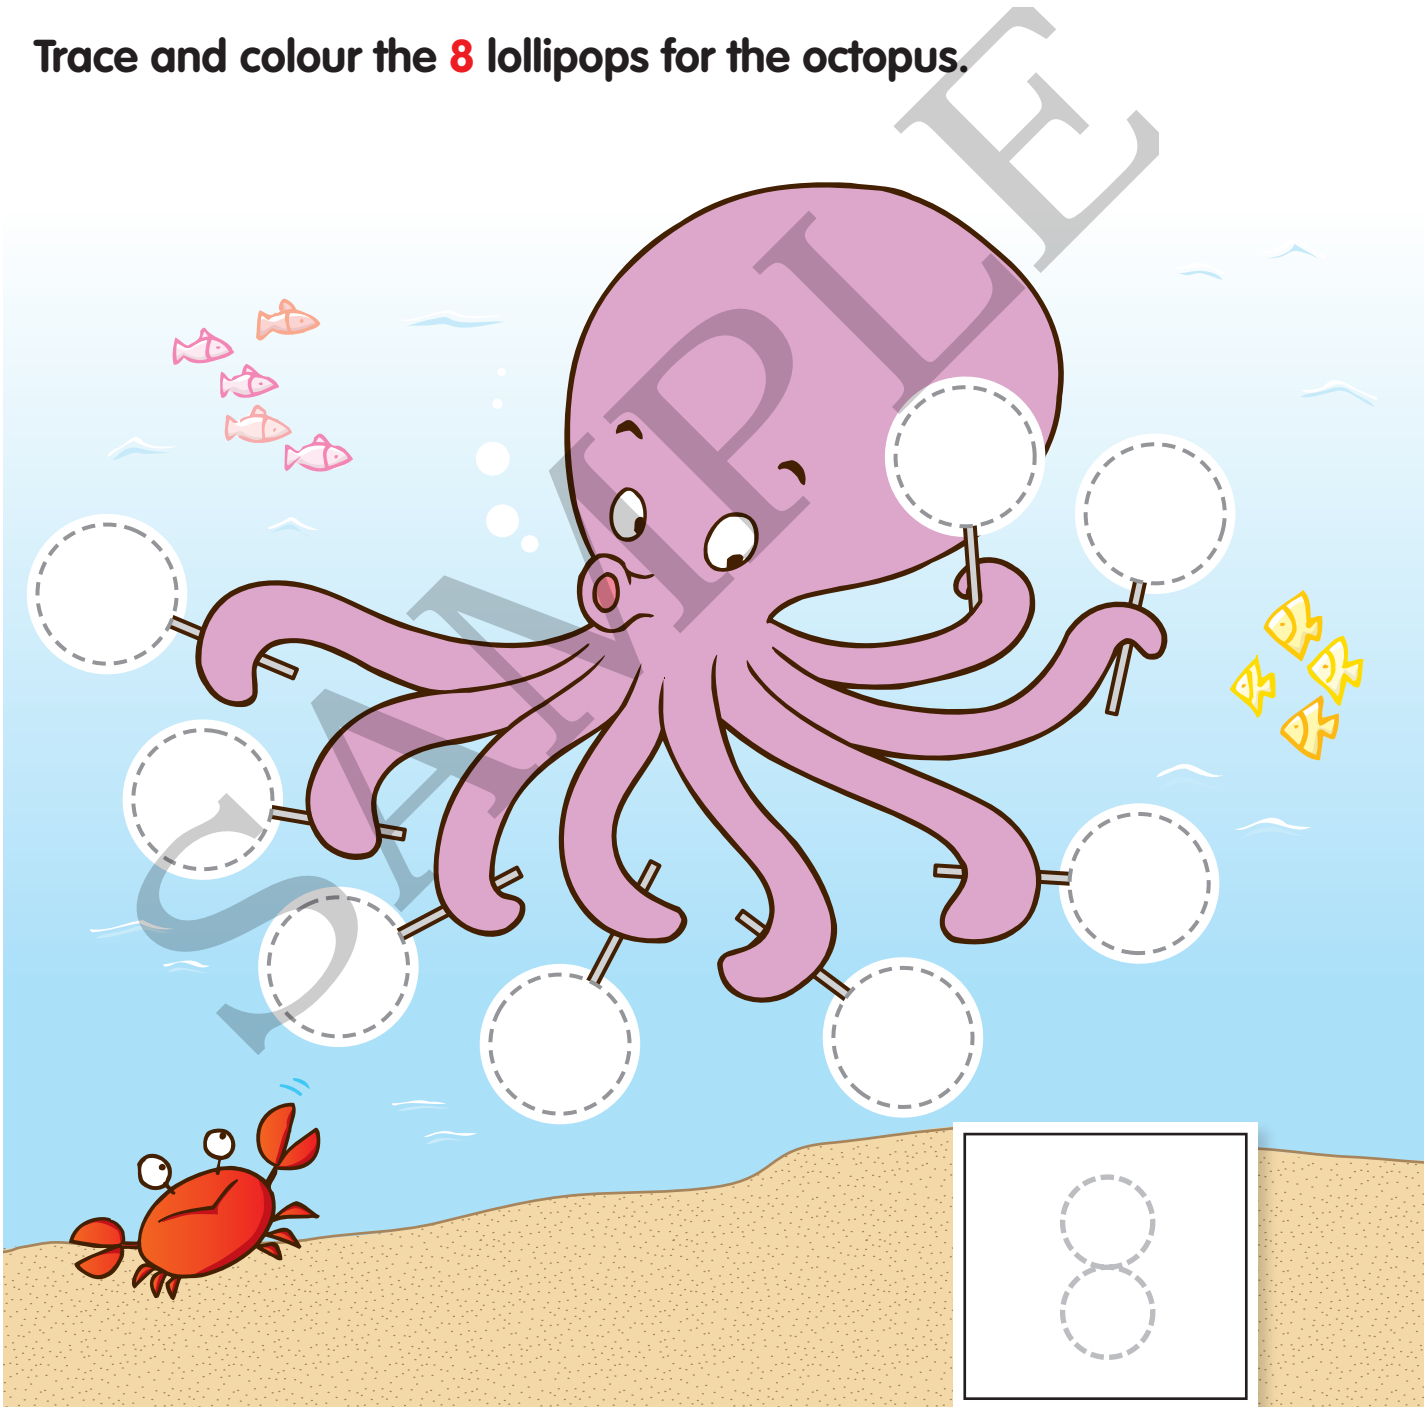

Trace.

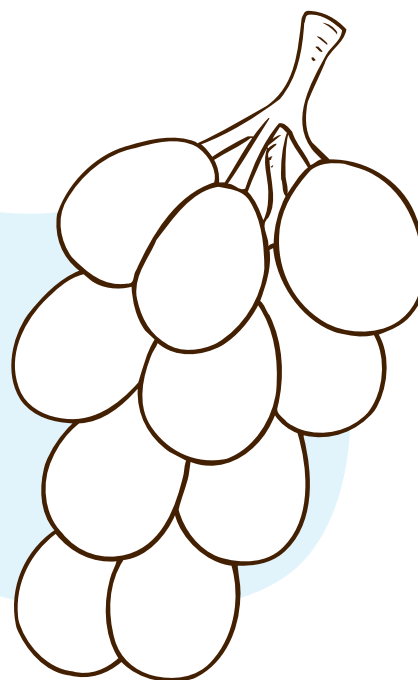

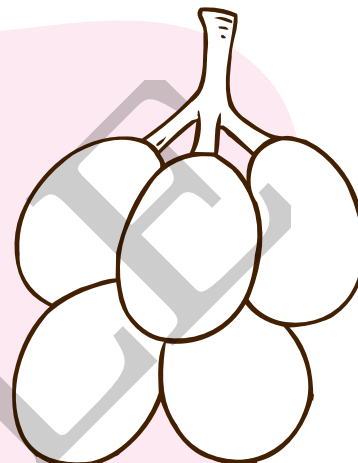

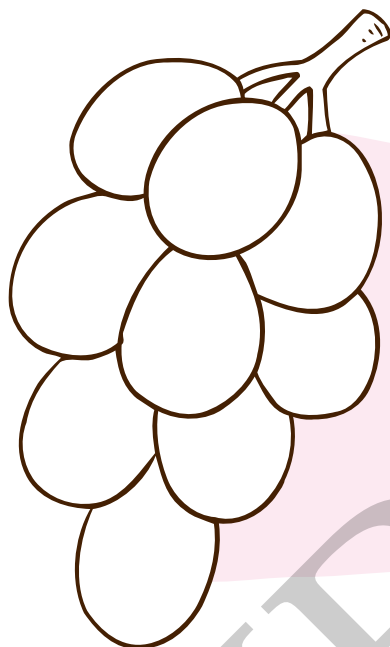

Trace and colour the **8** lollipops for the octopus.

Comparing – More/Fewer

Colour the bunch that has more grapes in each group.

Counting Forward and Backward

Draw a line to count backward from **10** to **1** to help the girl get her teddy bear.

A large maze puzzle for counting backward from 10 to 1. The maze is composed of purple lines forming a path. The numbers 1 through 10 are placed at various points along the path. The path starts at a girl on the left and ends at a teddy bear on the right. The numbers are: 10, 9, 8, 4, 8, 7, 8, 3, 7, 5, 8, 6, 4, 9, 5, 2, 4, 3, 2, 1.
