ADDITION AND SUBTRACTION

Contents

Mission 1

3 – 33

Simple Addition

Mission 2

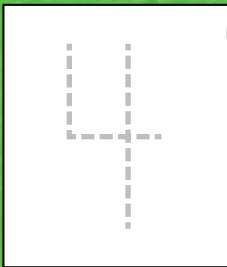

35 – 64

Simple Subtraction

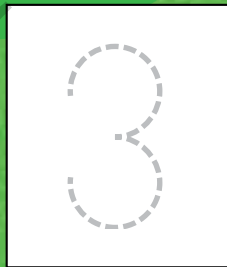

Scan this QR Code or go to Download Centre at **www.popularbook.ca** for the answer key and fun colouring activities with PAW Patrol.

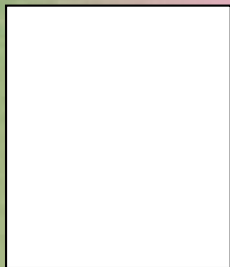

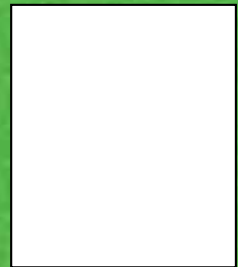

Trace the numbers and colour the butterflies.
Then help Rocky find how many butterflies
there are in all.

and

make

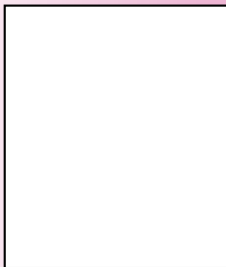

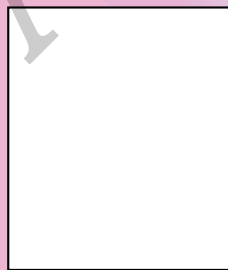

butterflies in all

Ryder is taking the pups to the Lookout Tower.
Trace the numbers and find the total.

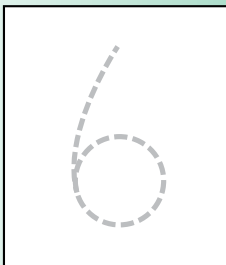

$$3 + 2 =$$

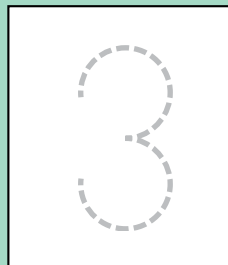

pups in all

Draw a line to give each chicken a safety ring to help Zuma rescue it. Then trace and write the numbers.

safety rings
