

How to tell the time

A clock has two 'hands'. The **big** hand tells you the minutes. The **small** hand tells you the hours.

PAW Patrol,
ready for
breakfast!

It is seven o'clock in the morning.
Ryder and the pups get up.

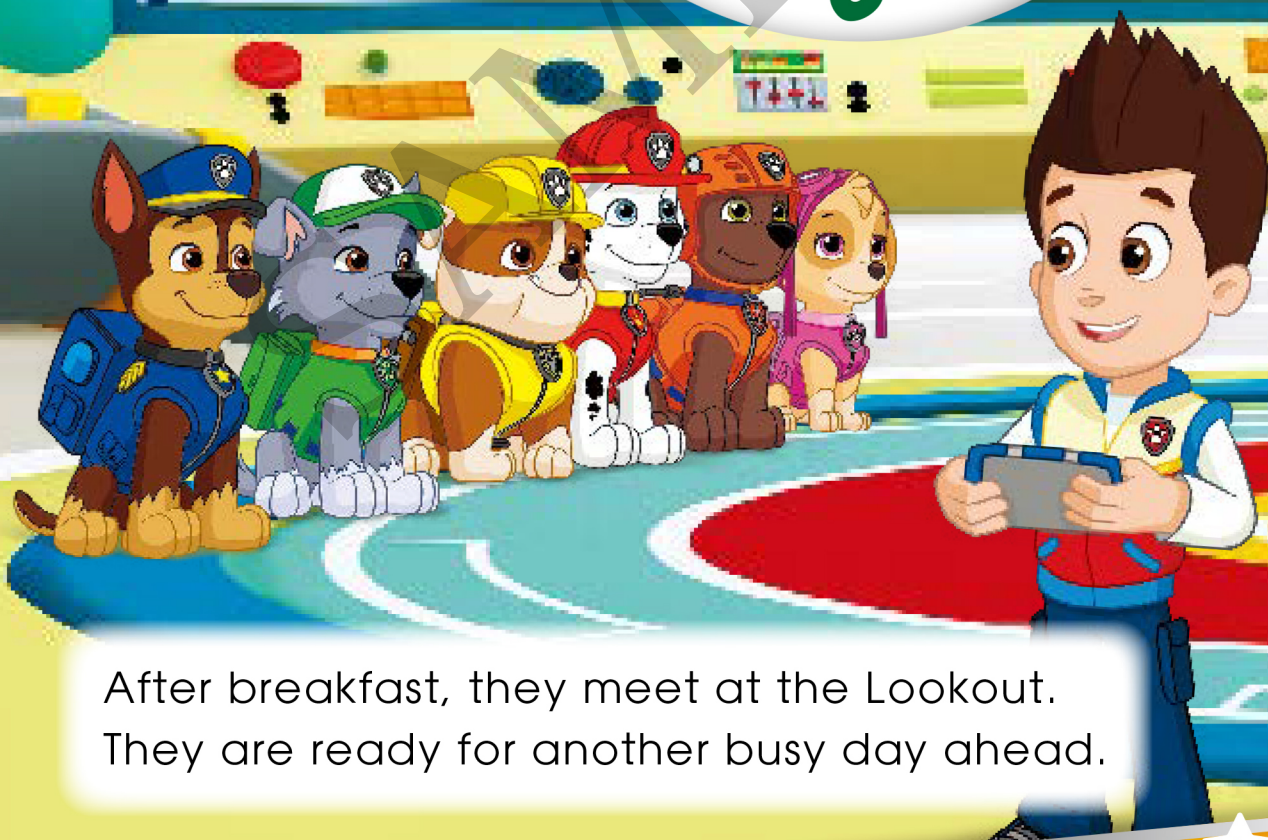

Show the time

When do Ryder and the pups get up?

Answer: seven o'clock

Move the big hand to 12,
and the small hand to 7.

After breakfast, they meet at the Lookout.
They are ready for another busy day ahead.
