

The Library

Where can you go to get away from the summer heat and at the same time explore faraway lands without going outside? Head to your local library!

Learn about different places and cultures through books, CDs, and movies. Join a summer reading club and discover the joy of reading through stories, songs, rhymes, finger plays, and magic shows. What's more, you may even get a chance to meet the author of your favourite storybook!

Escape into the cool world of books and more in the library this summer!
