

- writing

A. Write a topic sentence for each of the following paragraphs.

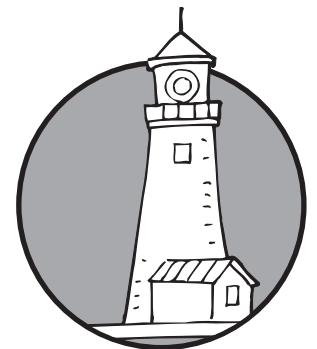

1. _____

If people always covered their mouths when they coughed or sneezed, they would not spread as many germs around. Also, washing hands often helps prevent picking up germs through touch.

2. _____

In fact, the ancient Egyptians built the first lighthouse, the Pharos of Alexandria, in 280 BCE. It was about the height of a 40-storey building. An open fire at the top was used as a source of light.

3. _____

It includes the cars of the train, the pieces for the track, a tunnel, and some houses and trees to make a town. It is so fun. My sister and I love to play with the train set so much that we don't want to watch TV anymore.

B. Read the topic sentences below. Write a paragraph for each topic.

Kelly and Jamie were very excited because they were going to have a special celebration with their family. _____

Have you ever thought of why the beaver is a symbol of Canada? _____

- writing
